

## CEO Summit Dec 3rd Berns Salonger, Stockholm

**On Thursday December 3rd at Berns Salonger in Stockholm SwedenBIO will hold its annual CEO Summit. Come and listen to the voices of Life Science!**

**Anders Ekblom** Executive Vice President Global Drug Development AstraZeneca and Member of the Innovation and Growth Project will let us know how innovation can give growth to industry and society.

Hear **Jonathan Knowles** give his visions for 2015 for Swedish Life Science. Mr Knowles is Head of Group Research and Member of the Executive Committee at Roche, Board Member of Chugai and is former Board Member of Genentech.

**Tobias Marguerre** General Manager Octapharma AB/Octapharma Nordic AB will give his view on long-term investments for expansion in Sweden.

The Center Director of Swedish Medical Nanoscience Center, **Agneta Richter-Dahlfors**, will let us know if it's possible synchronize interdisciplinary life science with industrial needs. **Mikko Alkio**, former state secretary in Finland and Head of group research at Roschier, played a central role in the preparations of the national innovation strategy in Finland in 2008.

**Charlotte Brogren**, General Director VINNOVA will give us her view how VINNOVA can be a catalyst for the industry's R&D today and in 2015.

What does the industry need to reach their goals in the future?

**Nils Bohlin**, partner at Arthur D. Little, will present SwedenBIOs Industry Survey.

Welcome from **14.30 until 18.45**, with networking afterwards
